### CC-140V/SW

#### Self-adhesive velour fleece

The black velour fleece is suitable for covering car boots, camper vans, coaches and caravans. The fabric is temperature-resistant up to 110 °C, robust and has a velvety surface for high-quality interior lining of cars. It is easy to apply, because it is stretchable and easily stapled. The fabric is also well-suited to cover up light-coloured backgrounds. The dimensions are 1,400 x 750 mm, which equals one square metre.
